Curriculum Night

Who rocks? Ms. Athon's second grade parents do! Thank you so much for your Curriculum Night attendance on Thursday, Aug. 14th. It was so wonderful to see all of you involved in your child's education. I really do appreciate you providing their supplies, lunch monies, and snacks each day. It is great parents like you that help make our job a pleasure. Together we will ensure your child's school success!

Weekly Folders

Weekly Folders will go home for the first time next Friday, August 22nd. All important papers will be enclosed each week. Please be looking for your child's *red or blue* Weekly Folder each Friday, view the contents, sign and return the following school day. Thanks for all you do!

Homework

Our homework routine will officially begin next Friday, August 22nd. A homework sheet will be coming home each Friday with the following week's homework assignments. Please be sure to work on some each night and return to school the following Friday. This routine will continue throughout the 2014-2015 school year. Thanks again for all you do!

Night Under the Stars

Duncan Creek's PTA has a very exciting evening planned for us on **Friday, September 4th @ 5:30pm**. There will be food, entertainment, and plenty of fun. Please be sure to bring your chairs and blankets. Food can be purchased during the event or prior. More detailed information is coming home soon. Mark your calendars and make plans to attend the festivities. It is going to be so much fun!
